RE: RFP 2021-03 Environmental Site Assessment Services

---

This is to notify you that the Request for Proposals (RFP 2021-03) **Environment Site Assessment Services for TVOH II, Jackson, TN** is formally withdrawn. It has been determined that it is prudent to defer this procurement until an Investor has been selected for the project, thus enabling the work for the Environmental Site Assessment Services provider to meet such standards as the Investor requires.

Please do confirm that you wish to receive the RFP for this purpose when we are ready to issue it, which is likely within the next four (4) months.

We are grateful for your interest in doing business with THDC and hope you will continue to do so in the future.
