

WHAT ELSE SHOULD I KNOW?

The FSS program has helped families to build assets and become self-sufficient.

The FSS program offers Employment Assistance, Credit & Career Counseling, Financial Literacy, Homeownership Counseling and other services.

The FSS program is the only HUD-funded program that directly enables families to save money.

Enrolling in the FSS program before your earnings increase results in more substantial savings.

For more information, Melondie Harris or Khadija Talley: 731- 425-3181 or 731-425-3195.
