## **JACKSON HOUSING AUTHORITY**

## **FAMILY SELF-SUFFICIENCY PROGRAM**

### Requirements for the Family Self - Sufficiency Program:

- Must be public housing eligible
- Have a desire to eliminate dependency on government assistance.
- Make on time rent payments
- Exhibit good housekeeping
- Be willing to sign a Contract of Participation and create an Individual Training and Service plan.
- Attend and participate in quarterly meetings and all other mandatory

The purpose of the Family Self - Sufficiency Program is to assist families in meeting individual goals that promote economic independence.

All participants are public housing residents. Each resident will develop an Individual Training and Services Plan (ITSP), which will identify all goals.

Participants will receive case management and supportive services to ensure that all goals are met within the specified program period, which is usually five (5) years.

For more information regarding the FSS Program for Public Housing, contact the Jackson Housing Authority.
